## PPL MONTANA PLANT SITE VISITOR ACCESS

---

### **Requirements:**

- Non-employee & non-vendor site visits are allowed at the discretion of PPL Montana management and may be discontinued at any time based on:
  - Department of Homeland Security Threat Level
  - Plant operating conditions
  - Other business reasons
- Visitors must present current government-issued photo identification before access is granted
- Visitors must sign in on the visitor log before entering the site, and sign out when leaving
- Visitors must be escorted by a PPL Montana employee at all times
- Visitors must participate in a safety briefing before entering the site
- Visitors must wear Personal Protective Equipment designated by the PPL Montana escort and abide by all safety rules and regulations
- Visitors must wear appropriate attire, e.g. no open-toed shoes or shorts
- No personal items such as large purses, backpacks, thermos bottles, etc. may be carried on site
- As a condition of access, visitors must allow PPL Montana to inspect all items taken on or off PPL Montana property
- Visitors must be at least seven (7) years old
- Cameras are not allowed on site without an approved Camera Pass; this includes cell phone cameras. Pictures may not be taken without permission from the PPL Montana escort.
- Possession or consumption of alcoholic beverages, illegal drugs or chemical substances is prohibited at all times
- No firearms or concealed weapons are allowed on company property at any time
- Site visit will be terminated if any violation to requirements occurs
